****Does not include Newborns**

Mini Studio Session Info

Where is the studio?

2/1 Fitzgerald Street, Northbridge. The studio is located upstairs on the corner of Fitzgerald and Roe Street. Paid parking is available at \$2.50 per hour in Wilson's carpark off Roe Street. Please do not park in the bays off Roe Street directly behind the building.

How do I book a session?

By phone. Session times are on a first come first serve basis. You may need to work around daytime sleeps.

When do I pay? How do I pay?

An electronic invoice will be sent where payment is due immediately. Your preferred session time is held upon receipt of payment. Payment can be easily made via bank transfer. Bank details are found on the bottom left of the invoice.

How long does the session last?

The sessions are half hour appointments starting from 9am

What time do I arrive?

You will need to arrive 5 -10 minutes before your allocated time so you are relaxed and can freshen up the children if needed. If you arrive late you will have less time in the studio.

What facilities are available?

There is a kitchen, bathroom/changeroom and lounge area.

Can I bring props, toys, extra clothes and dress up clothes?

Certainly can! Be mindful of props that may mark the white painted floor. Happy to chat with you before the day to discuss ideas.

When do I receive the files?

Up to 20 Digital files will be delivered via Drop Box - an online file sharing program - 7 days after the session date. The files will have the basic colour and contrast adjustments applied ready for printing. For a more professional polished finish for your favourite images an extra \$20 per image will apply. For example scratches, brusies, dribble, fly away hair etc can all be removed.

What if my child plays up on the day?

Unfortunately due to the nature of the mini session I cannot take responsibility. I will do my best to capture fabulous images of your children. If your child is sick on the day you may use your \$250 payment towards future personalised sessions. Unfortunately you cannot use it towards a future studio session due the hire costs of the studio and assistant.

What clothing is appropriate?

The studio is all white including the floor. Wear whatever is appropriate for the personality of yourself and your children. Groovy colours and smart/casual clothing will look great against the white. Avoid logos and clashing patterns especially if there will be more than one child in the pictures. If you have a young girl wearing a dress please have nappy covers, leggings etc to cover diapers in case they are visible with certain positions.

What can I do to maximise the chances of a successful session?

Arrive BEFORE your session time so you are relaxed and can freshen up the children, visit the bathroom etc. Remember to have fun with your children :)
